

2023

ANNUAL REPORT

LETTER FROM THE CHAIR

In 2023, RADPAC raised \$845,412 from 2,113 contributors. RADPAC had 59 “Outstanding Practices” participating in a group contribution. Other highlights include RADPAC hosting 7 fundraising events for Members of Congress raising more than \$100k, attending more than 150 fundraising events for Members of Congress, and coordinating more than 15 visits by Members of Congress to radiology practices.

RADPAC’s visibility and impact on Capitol Hill remains at an all-time high. It is critical that RADPAC maintains this status as radiology continues to face many legislative challenges ahead including, but not limited to, fair reimbursement, cancer screening coverage, scope of practice, larger Medicare reform initiatives, workforce issues and GME residency slot funding.

I look forward to leading RADPAC over the next few years and welcome your support as we continue to serve as the political voice for radiology on Capitol Hill.

HARD MONEY FROM PRACTICES VS. INDIVIDUALS

\$845,412 raised by RADPAC in 2023

CONTRIBUTIONS BY STATE

RADPAC's annual goal is to receive at least **20%** participation from every state. In 2024, **4** states met that goal. [Click here](#) to view the full list of state rankings.

Rhode Island: 49.10%

Tennessee: 31.50%

Utah: 26.10%

Minnesota: 20.90%

RADPAC DISBURSEMENTS

In 2023, RADPAC disbursed \$524,800 to the campaign committees for Members of Congress. RADPAC increased its number of fundraising events it hosted and participated in to over 150 events.

Of the \$524,800 disbursed, 43% went to Democratic candidates and committees and 57% went to Republican candidates and committees.

TOP LINE ACHIEVEMENTS

- Hard money raised in 2023: **\$845,412**
- Hard money contributors in 2023: **2,113**
- Hard money campaign contributions disbursed in 2023: **\$524,800**
- RADPAC participated in over 150 fundraising events in 2023

GOALS FOR 2024

Increase total of contributions to \$1,000,000.00

Increase total number of contributors to 2,500

Increase total number of Outstanding Practices to 75
