

# RADPAC® — The Political Voice of Radiology

## \$937,959 Contributions Raised in 2021 2,215 Contributors in 2021

### RADPAC's ROI

- In the last two years, have successfully had language passed to hold off over **\$1 BILLION in proposed imaging cuts.**
- Ensured that the federal "surprise" medical billing legislation signed into law held patients harmless and created an equitable process for provider-insurer dispute resolution.

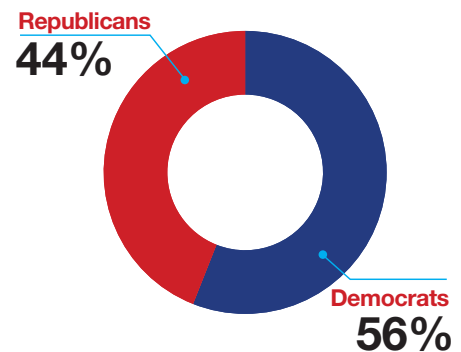

### RADPAC's Value

- Only **30 of 535 (6%)** of Members of Congress have a healthcare background.
- RADPAC educates Members of Congress by attending **500+ events** a year on the Hill.
- RADPAC organizes **15+ site** visits a year to show Members of Congress how radiology works.
- RADPAC is focused on ensuring appropriate legislative fixes to surprise billing and E/M cuts.
